

Call for the election of the Governing Board 2011-2013 of the Mexican Society of Materials A.C.

The Mexican Society of Materials in accordance with its laws invites all active members to elect its Board of Directors.

BASES:

- 1) The Society calls on the active partners to nominate candidates to the posts of President, Vice President and Treasurer, before the Electoral Commission.
 - 2) All candidates for the Board should have a Ph.D. or equivalent, and a scientific or technological trajectory recognition at national level.
 - 3) Only active members (in any category) can vote and be voted.
 - 4) Registered candidates must send a written agreement of their nomination in the electoral process to at least one member of the Electoral Commission before the registration deadline.
 - 5) The deadline for nominations is July 17, 2010.
 - 6) From among the registered candidates received, the Governing Board, taking into account the curriculum, participation in activities of the Society and its acceptance by the membership of the SMM, will select a triad for each of the following positions (President, Vice President, Treasurer), which will make up the ballots.
 - 7) When registering at the INTERNATIONAL MATERIALS RESEARCH CONGRESS (IMRC) each active member will be given a ballot to be deposited in the ballot box located in the Cozumel, Mexico lounge.
- The voting hours will be from 10 to 18 hrs on Tuesday 17 August. This is the only form to cast a vote.
- 8) The counting of votes will take place at a public meeting of the Electoral Commission, which will take place on Tuesday, August 17, 2010 in room TULUM E JW Marriott Hotel at 21:00 hrs.
 - 9) The General Assembly of the Mexican Society of Materials, will meet over the scrutiny of

August 17, 2010, in the same room (TULUM E) of JW Marriott Hotel, in order to officially announce the winners for the positions of President, Vice President and Treasurer.

10) The elected candidates will take office at a session of the General Assembly on January 10, 2011 at 13:00 hrs, to be held in the auditorium of the Institute of Materials Research, UNAM.

México D.F. May 17, 2010.
